This special Performance Bonus incentive PVP Pack is available at any time to individuals at any management level.

**Volumes: ND/END/RVP/NVP as stated in the Eniva Gold Marketing Plan; AM= 3,000 RM= 9,000/ERM= 18000.\***

At the point in time when the PVP or PVP Upgrade is purchased, individuals are eligible for all future payout of Performance Bonuses upon achieving their next/future management promotions and meeting Performance Bonus volume criteria. If PVP or Upgrade is purchased after a management promotion(s) is achieved, any Performance Bonuses for previous management levels are forfeited. However, should a person purchase a PVP or Upgrade in the same month as achieving AM, they will still be eligible to receive the AM Performance Bonus when they achieve the \$3000 LV volume criteria. A minimum of 50% of the volume requirement must be generated outside of an individual's largest volume leg. The required volumes associated with the Performance Bonus do not reflect the same criteria needed to reach a particular rank. Please see the Eniva Gold Compensation plan for information on rank achievement volume requirements. Checks mailed at close of prior month on or about the 15th. Eniva reserves the right to modify any part of the PVP offer/bonus at any time without prior notice. Purchase of more than one PVP under a single ID number results in only one year of website membership.
